The U.S. Departments of Defense, Labor and Veterans Affairs have announced the release of a new state widget on the [National Resource Directory](#) (NRD). The NRD is for Wounded Warriors, transitioning Service Members, Veterans and those who support them. The site provides quick and easy access to thousands of resources to help in their recovery, rehabilitation and reintegration.

The [NRD State Widget](#) enables you display resources from the NRD, tailored by state and subject area, on any website or blog, creating a single point of access to local, community-based programs and services. As new resources and information are added to the NRD for your state, the widget will automatically update to show them on your site.

Make the [NRD State Widget](#) a part of your website, and visit the NRD today to get [answers to questions](#) about benefits and compensation, housing, education and training and much more.
